# ROMAN JASIEK

## WEB DEVELOPER

Web developer with 20 years of experience in sales, 10+ years experience as WordPress enthusiast and writer/blogger who will soon graduate a 1-year intensive remote training in Full Stack Web Development (MERN Stack).

I am looking for a position, where I can bring in all my experiences, where I can challenge myself and deliver solution oriented approaches. I always have maximum customer satisfaction in mind and I implement the STAR method.
